

**NEGOTIATED REQUEST FOR PROPOSALS (NRFP)
307-25 CCTV, Intrusion Alarm, Access Control
& Monitoring Services**

ANBL & CNB are inviting eligible proponents to submit proposals to provide all labour, materials, equipment, services and incidentals to install, repair, support, monitor and maintain a CCTV, intrusion alarm, and access control solution, and removal of existing hardware, for the corporate locations throughout New Brunswick, including retail, offices and warehousing.

Proposals must be submitted through:
<https://anbl.bonfirehub.ca/opportunities>
and shall be received up to 1:30 pm on March 17th, 2025.

There is a **mandatory** site visit On February 24th at 8:30 am, to enable all proponents an opportunity to view the sample format sites and setups specific to each company. **Only proponents who have attended the site visit will be evaluated in the process.**

There is a question period that ends on March 3rd, 2025 at 4:30 pm and there will be an addendum issued by March 6th, 2025 with a list of all questions received and the responses provided. All questions must be submitted through the Opportunity Q&A within Bonfire, prior to the Deadline for Questions. No such communications are to be sent or initiated through any other means.
